

TERMS OF REFERENCE

CHILDREN & YOUTH AT RISK COMMITTEE

Purpose

To ensure that funding received by School District 20 in support of addressing the needs of vulnerable students is expended based on evidence of need, and is done so efficiently and equitably.

Terms of Reference

- To annually review student need evidence.
- To annually review funding allocations to ensure expenditures are based on evidence of need.
- To establish allocation processes that are efficient and equitable.
- To annually make funding allocation recommendations to the Board of Education.
- To establish School District work flow processes that ensure compliance with funding criteria as determined by the Ministry of Education.
- To establish reporting processes that ensure compliance with reporting criteria as determined by the Ministry of Education.
- To liaise, when necessary, with community partners on the topic of supporting vulnerable children and youth.
