

## Grade 6 Physics Unit Planning Resources

<http://betterlesson.com/lesson/634622/force-and-motion-essential-questions> Excellent physics lesson planner using essential questions to guide students

<http://betterlesson.com/lesson/634616/newton-s-laws-graffiti> Lots of resources on this lesson plan. Uses Graffiti notes to record information and create artifacts of learning

<http://betterlesson.com/lesson/634619/newton-s-first-law-inertia-kills-investigation> Lesson on Newton's First Law, uses real world example to answer question "Why should you wear a helmet on the Costa Rica Jungle Waterslide?"
